PARTNER WITH SCPMA-HR AT OUR ANNUAL CONFERENCE!
2023 SCPMA-HR CONFERENCE
HR FUTURE LEADERS & INNOVATIVE THINKERS

Dear Supporters of SCPMA-HR,

After last year's virtual conference and by popular demand we are hosting our SCPMA-HR Conference live and in-person, on Wednesday, April 19, 2023. We are expecting a sold out and successful conference.

Southern California is a volunteer-powered organization comprised of professional human resources representatives from local government and public sector entities. We continue to sustain growth and remain innovative in our craft of human resources through outreach and generous support of sponsors as yourselves. SCPMA-HR has membership throughout Los Angeles County and Orange County of diverse and creative backgrounds.

We are reaching out to you requesting that you support the conference by your participation including, a contribution or a donation. Your sponsorship will support the **2023 SCPMA-HR Conference** including helping maintain low-cost admission to this event for our membership. Also, contributions, both financial and raffle prizes, are a big part of the experience and value of this highly attended conference in Southern California.

Again, we thank you in advance for your consideration on being a sponsor for our 2023 SCPMA-HR Annual Conference. Attached is the sponsorship form for your convenience.

To support our conference, please email Russ Quan at rquan@glendaleca.gov so that we can connect with you on the level of sponsorship and further details about this year's conference.

In gratitude,

Sheila Esparza
SCPMA-HR President
